- If you email, we usually respond by phone or suggest a face-to-face meeting
- Things to remember:
 - Decisions made for entire program
 - We are constantly evaluating
 - Productivity

Expectations

- For all major offenses, the general athletic policy will be used.
- For missed practices, weekly failing grades, and other issues we have our own form of discipline.
 - Absences are to be avoided if possible. Even if you have an excused absence, you will have a makeup workout. Just like school there is always make up work.

Expectations

- Players need to ride back on the bus with the team. If there is an emergency, please let a basketball coach know asap. A student can only ride back with a parent after an alternative transportation request is filled out in advance.
- These must be signed and turned back in before we leave for the game. These have to be approved by an administrator.

Academics

- Wednesdays are grade check days.
 - If the athlete has a failing grade, missing assignments, or classroom behavior issues when we check grades on Wednesdays; they will have opportunities for improvement.
 - Our Goal is to have every player maintain an A/B average and higher for those that can achieve it.
 - We are also going to try and get all varsity players on the Academic All-District list and strive for Academic All-State.
