

# BROOK BOYS' BASKETBALL BOOSTER CLUB

## HELPFUL INFORMATION

2023 - 2024 Season

### From the Booster Club,

Welcome to the boys basketball program. Our booster club works hard to support the program. The number one way we raise money is through our concession stand at home games.

At the end of the year, we host the End of Year Banquet to celebrate the accomplishments of our athletes and recognize the coaches for their support. While booster club membership is not required to support, joining the booster club gives you a voice for any changes, additions or activities we plan for the program. We look forward to getting to know your athlete this year. We hope the information on this flyer is helpful and will be a valuable resource.

### Booster Club Officers
